HOLOBOX 911

# Holoportation

## Live Streaming, Life-Size.

Stream a real person live into any event, campus or corporate space as a life-sized hologram, interacting with the audience in real time.

Live holoportation · TechHR India '26

USP

**No studio needed. All it takes is a tripod and a smartphone.**

- Guest lectures
- Remote speakers
- Product launches
- Expert sessions
- Conferences
- VIP interactions

LIVE · LIFE-SIZED · REMOTE

HOLOBOX 911

# Interactive AI Avatars

## Turn Information Into Conversation.

AI-powered digital humans talk with visitors inside the HoloBox, answering questions about products and services in multiple languages.

Digilib AI avatar · Maruti Suzuki

**USP**

**Runs fully offline. No internet needed at the venue.**

**USP**

**Captures visitor data and leads from every conversation.**

- Exhibitions
- Brand ambassadors
- Customer assistance
- Product discovery
- Lead capture
- Multilingual

ASK · DISCOVER · INTERACT

HOLOBOX 911

# Leadership Messages

## Put Leadership Centre Stage.

CEOs, founders and senior leaders appear life-sized inside the HoloBox, pre-recorded or live.

HoloBox 911 · Maritime XR Conclave 2026

A captain’s holographic address

USP

**No video shoot needed. Create the holographic message from just photos.**

- CEO messages
- Town halls
- Conferences
- Employee communication
- Awards
- Announcements

ONE MESSAGE · A BIGGER PRESENCE

HOLOBOX 911

# Gamified Engagement

## Turn Visitors Into Players.

Surveys, quizzes, challenges and brand games become experiences people want to join, leaving every visitor with a memorable brand touchpoint.

Hands-on training simulator · Capgemini

USP

**Gesture-based games. Visitors play touch-free, with a wave of the hand.**

- Lead generation
- Surveys
- Quizzes
- Brand games
- Audience engagement
- Event competitions

PLAY · PARTICIPATE · ENGAGE

# Product Demonstrations

## Show More Than The Product.

Bring products, features and stories to life as holograms. Showcase at scale, explain complex features or launch new offerings people remember.

Horizontal HoloBox · Fluidra

USP

**App-driven presentations with exploded and X-ray views of your product.**
